Mrs. Judge Peck Tells How She Was Cured

Sufferers from Dyspepsia should read the following letter from Mrs. E. M. Peck, wife of Judge Peck, a Justice at Tracy, Cal., and a great benefactor to the Associated Press:

"I have a deep sense of gratitude for the great benefit I have received from the use of Hood's Sarsaparilla. I have been led to write the following statement for the benefit of sufferers who may be similarly afflicted. For ten years I have been a great sufferer from dyspepsia and heart trouble.

Almost everything I ate would distress me. I tried various treatments and medicines, but failed to realize relief. Two years ago a friend prevailed upon me to try Hood's Sarsaparilla. The first bottle I noticed helped me, as I continued taking it. It did me so much good that my friends spoke of the improvement. I have received great benefit from it.

I can now eat anything and nothing distresses me. It also keeps up my blood and strength. I cannot praise Hood's Sarsaparilla too much. Mrs. E. M. Peck, Tracy, California. Get Hood's.

The treasurer reported receipts for the month of March \$369.55; expenditures, \$362. Balance on hand, \$6.55. This, too, is the annual balance.

The General Secretary made his monthly report, showing the work done in March.

Mr. A. B. Wood, for the Devotional Committee, reported meetings held and the work accomplished. Mr. Ripley, for the Entertainment Committee, reported on the two lectures given in March. Mr. Beadmore, for the Reading Room Committee, reported an increase of patronage and also that several periodicals had been added to the library during the month.

Mr. Purdy, for the Shipping Committee, reported on the work among sailors, tracts distributed, etc.

Mr. Corbett, for the gymnasium, reported great interest. Attendance for the month of March had been 430, an increase of 12. Enthusiasm was not only being kept up, but was steadily increasing. During the month of April it was proposed to have class meetings once per week. Mr. Peck made a short verbal report from the temperance committee.

Three active and three associate members were elected during the meeting. A collection taken amounted to \$9.

The next item was the election of officers for the ensuing year. The committee recommended that the work be given over more to the young men. To carry out this policy.

Gentlemen:—I have been troubled with my liver and constipation, for which I have tried many remedies without relief. I began taking Paine's Celery Compound, and since then my health has improved, and I have gained at least ten pounds in flesh. I am much better, and think highly of your medicine, and can recommend it.

Yours truly,

Ripans Tabules

Dennis Bernhardt, who lives at No. 1188 Jefferson Avenue, Brooklyn, N. Y., writes under date of May 28, 1895: "Having heard of your Tabules, and having suffered for years from dyspepsia and biliousness, I thought I would try them. I have been using them now for about six weeks and they have given me great relief." Mr. Bernhardt keeps a flowery lodging house and the air is often bad. He says a Tabule taken now and then keeps him from getting sick in that air.

Ripans Tabules are sold by druggists, or by mail if the price (50 cents a box) is sent to the Ripans Company, No. 10 Spruce St., New York. Sample vial 10 cents.

SENATE.

Business of an Afternoon Session Thursday.

The Senate resumed its session at 2 p. m. Thursday, President Wilder in the chair.

Senate Bill No. 11, relating to Chinese immigration, came up and passed second reading. The amendment proposed by the Committee to this, in place of limiting Chinese immigration to 10,000 persons, leaves the figure open. This is in view of it becoming necessary to balance Japanese with other labor.

Senate Bill No. 14, relating to elections and contested seats, passed final reading.

House Bill No. 13, relating to the Great Seal, passed first and second readings and was made order of the day for Monday.

Adjourned to Monday.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia if this remedy is taken and reasonable care exercised. For sale by all Druggists and Dealers—BESSON, SMITH & Co., Agents for H. L.

Pastors on Missionary Work and Sabbath School.

The meeting of the Hawaiian pastors at Kaunakapili church was continued Tuesday. Reports were received from Central Union church, Chinese mission, Mr. Damon's school, the Japanese Lyceum and the South Sea Islands. A meeting of the Sunday schools, under the auspices of the association, was held late in the afternoon. Reports from the various schools were received. It was decided to hold a Sunday school convention in Kawaiaha church in June.
